A Delegated Harvest

***“...Behold, I say unto you, Lift up your eyes, and look on the fields;
for they are white already to harvest.”***

John 4:35

As I sit here contemplating this verse, I wonder if I really understand the responsibility God has given to His children. We are tasked with the eternally important task of harvesting in the Father's fields. He has chosen to delegate the responsibility of spiritual harvesting to His inadequate, weak, and failed children. (That's not a very nice assessment but it's true of fallen man.) What a risk He's undertaken. While He's looking to us for action in His kingdom we are often content to sit idle in His house eating from His table and enjoying His benefits. It must grieve His heart to see so much wasted time and potential. We are not all called to work in foreign missions but we are all called to work for our Savior. While we would love to talk to you about working in Haiti and Dominican Republic, it's most important that you are busy in God's work wherever God has you. As His children, He is counting on us to carry out His harvest!

This newsletter is outlining our current ministry in Haiti and the DR. The needs are many and varied. Pray with us for Godly wisdom in determining the best way to meet those needs. Pray also that God would call willing people to fill the staffing needs we have.

There are many ways God uses His people to accomplish His work. Currently we need a single fellow for maintenance and filling in wherever needed. We are also seeking a couple without family responsibility to serve as house parents for our single staff and provide hospitality for visitors and work teams. This couple would be tasked with caring for young people and mentoring them. We want to provide a safe and spiritually uplifting environment for our young people to serve in. Please consider if God is calling you to any of these positions of service. If He is we want to talk to you.

Remember, it is imperative that we as God's children be busy serving Him and fulfilling His calling wherever we find ourselves. God may be calling some to foreign missions but He has already called all of us to missions regardless of our location. My hope is that you will be faithful in His service!

Blessings in His service,

"Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around."

PRAISE & PRAYER / STAFF

Praise and Prayer

* Praise God for willing hearts as he continues to call staff to fill the needs of the mission in Haiti.

* God's faithfulness in prompting people to support our mission with both prayer and finances.

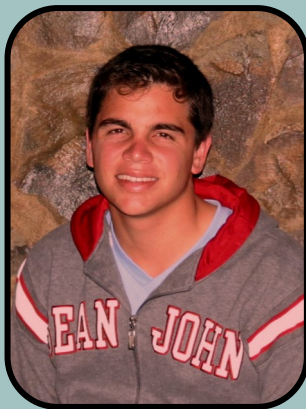

* For the opportunity we had to plant the seed and encourage many pastors and teachers during the 2 weeks of Pastor's Training Seminar in the Peyi Pourri Mountains.

* For the Staff and Volunteers working both in Haiti and the Dominican Republic as they make challenging decisions daily.

* That the seeds that are planted through our mission could be watered and bring for abundant fruit.

* That God would continue to bless the mission both with finances and with many willing, working hands.

Welcome
